Martin, the diner closed down. Sent a message about that. But I'm eating come hell or high water.

Shaun I thought Joan had us going to a diner? Has that changed?

What, no eating in the "fun" car? You really know how to party!

When is the meeting to start? If we leave at 9 we will be there at 11 at the latest. Seems like we should be able to get something to eat?

We are no longer planning to do lunch tomorrow in Cheyenne. It sounds like our two vehicles (the Boulder car and the fun car) will get to Cheyenne between 11:00 and 11:30. If there is time we can grab coffee somewhere before we head into the offices for the noon

meeting. We can stay in contact via cellular phones as we get to town to make that final plan. Low blood sugar could be a concern - I encourage you all to bring a snack to stave off the Hangries.

Thanks!

D
